FOREWORD

This is your Memory Book. We have tried to record in pictures some of the highlights of our school year, with the teachers, the students, the athletic events and the organizations.

Of course, there were many things we could not picture (much as we would have liked to) such as the school spirit, and the indefinable feeling we have when we sing our school song.

But it is with hope that its pages will bring back memories of the happy hours spent in Brookneal High School, that we submit to you your *Memoriae Gratae* of 1949.

DEDICATION

MR. AND MRS. R. G. GARDNER

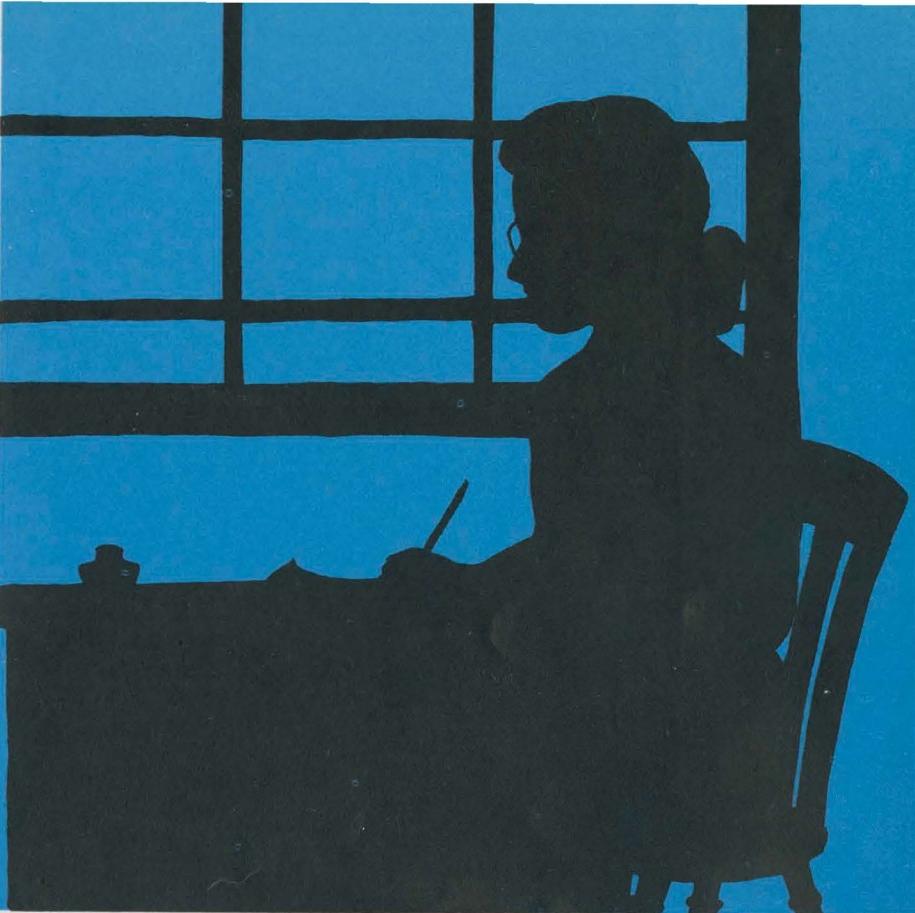

To Mr. and Mrs. R. G. Gardner, for their fine cooperation and the inspiration they have been to us, this 1949 edition of *Memoriae Gratae* is dedicated.

Mrs. Gardner has shown a sincere and helpful interest in all our activities, always being ready with ideas and suggestions which we have found most valuable in our work and play.

Mr. Gardner's wise guidance, his patience with us in any trying situation and his enthusiasm in all our successes, has inspired us always to strive for improvement and advancement.

For their valuable aid in bringing us to a successful culmination of our high school training, their memories shall always be enshrined in our hearts.
